Monthly Newsletter

Inside the Issue

#SERVICE

This month we had the opportunity to serve with Student Foundation and several other service organizations to put on the Bearathon! We were partnered with AMSA, Baylor Habitat for Humanity, and a few other pre-med organizations. We handed out water to participants and cheered for all those that passed our booth. We had the privilege to serve in Cameron Park by the river and we had a lot of fun dancing and celebrating the accomplishments of all those participating in the race. Missed out? Make sure you sign up to volunteer at next year's Bearathon!

#FELLOWSHIP

District Convention was an unbelievable experience for me and I hope everyone enjoyed it as much as I did. Eight Baylor students and our advisor Delacy attended. Thank you all so much for signing up, you all have no idea how much this meant to me that we had so many people going. I am pleased to announce that our chapter won the Outstanding Kiwanis Family Relations award for all of our hard work to better connect with our Kiwanis club and our efforts to charter a Builder's club this year. Congratulations to our Founder, Hunter Dentino, for winning the Oratory contest. His speech reminded me of why I joined Circle K International a year ago and why this organization is such an important piece of my life. I hope everyone had the best time at District Convention!

#LEADERSHIP COMMITTEE CHAIRS

We have several committee chair openings that we want to encourage all general members to apply for! We are in need of committee chairs for the service, events, K family relations, fundraising, and membership development and education committees. We will have 2 co-chairs for the K-Family relations committee, and 1 chair for all other committees. If you are interested in helping the executive officers make Circle K a better club here at Baylor and want to get some #leadership experience, reach out to an officer!

LETTER FROM THE PRESIDENT

by Jonathan Gatlin

Dear Baylor Circle K,

The beginning of the new Circle K year has begun, and I am so excited about our future. The new officer board will be taking over, and I know they have a bright future ahead of them.

This month I have had the privilege of watching our new officers step up and begin to take on their new roles. Throughout my year as president I have watched our club grow and develop into what we are today.

Thank you for making my year as president an unforgettable experience. I am so proud to graduate as a member of Circle K and will always continue to love our chapter even after I have left. I am so excited for the events we have left this school year and cannot wait to serve alongside all of of you! Have a great rest of the school year!

Sic 'Em Bears!
Jonathan Gatlin

CIRCLE K HISTORY CORNER

According to Don Vaughn, Circle K Texas Oklahoma Governor from 1957-1958, "During the late 1950s Harmon Dobson, a member of Kiwanis in Corpus Christi Texas used his private airplane to fly us visit Kiwanis Clubs across Texas and Oklahoma in an effort to build Circle K clubs. Mr. Dobson utilized financial resources and donated his time away from his business which would become what we now know as Whataburger."

So next time you grab a honey butter chicken biscuit, you'll know that a Circle Ker like you founded Whataburger.
